Interactive Artworks Exhibition PROJECT INFORMATION SHEET

This form must be submitted online. Please check the website.

Please complete ALL FIELDS. This form MUST be submitted in a single file with the project statement.

The project statement must follow the standard ACM MM2022 format (with the exception that the papers need not be blind); but there are no format restrictions on this form (the project information sheet will not be part of the publication if the work is selected).

You can get the paper format from the link below:
https://www.acm.org/publications/proceedings-template
